Description

A stunning UK king size bed featuring beautifully Birds eye Maple veneer and elegant decorative detailing, making it a striking centrepiece for any bedroom. The bed showcases a gracefully shaped headboard adorned with gilt gesso decorative and classical detailing, adding a refined touch of character. The footboard highlights the wonderful natural grain of the wood, complemented by an eye-catching Greek key style inlay border along the lower panel. Turned front legs with Gilt Gesso accents complete the design, giving the bed a balanced and elegant presence. The rich tone and highly figured veneer create a warm and luxurious feel, allowing the bed to work equally well in traditional interiors, period homes, or sophisticated modern spaces. Its timeless design ensures it remains both stylish and practical. The Rails have been converted to accommodate a UK king size mattress, this bed provides generous comfort while making a bold visual statement in the room.
