Description

Substantial Exceptional Edwardian 9-Tube Musical Marquetry Longcase Clock Brief Description: This is a truly exceptional and immaculate original Edwardian period 9-Tube Musical and Marquetry Inlaid Longcase Clock. The substantial-sized piece has an impeccable mahogany clock case that is embellished with fruitwood marquetry inlay with ivory accents (Submission reference: USZPJEW4). The clock case has three original brass finials, a swan-neck pediment, panelled sides, and decorative silk-lined inset fret-carved panels. The perfectly working 8-day mechanical movement with 9 large tubes, 3 huge brass weights and a solid brass regulator pendulum. The piece chimes every 15 minutes, with an on/off silent lever, together with a lever to alternate the music from Whittington to Westminster chimes. Included with the clock are the original cabinet keys, original weights, original winding key and the original pendulum. I would suggest that this is currently the finest example available today! The quality of this remarkable piece can not be emphasised enough! Note: The cost price includes UK mainland delivery, together with a full setup of the clock by the same professional...
