Description

This is a stunning antique Victorian sterling silver aide memoire/card case hallmarked for Birmingham 1866 with the silversmiths mark for Frederick Marson. The front of the case shows the Houses of Parliament in relief with super detail and the river in front which shows three boats on the water. Inside is lined in a blue material complete with pencil - it's a bit worn with a few marks but does the job just fine. It measures 4" (10 cms) x 2 3/4" (7 cms) and will come in a gift box with a certificate of authenticity. Free worldwide fully insured shipping
