Description

A charming antique continental pine wardrobe of traditional panelled form. The wardrobe features a pair of full-height panelled doors fitted with decorative escutcheons and stands beneath a moulded cornice top. The interior provides generous hanging and storage space, making the piece both practical and attractive. It is fitted with a hanging rail. The pine has developed a warm, natural colour with plenty of character in the grain. A particularly useful feature is that the wardrobe comes apart into nine pieces, allowing it to be transported and installed easily – ideal for cottages or homes with narrow staircases. Item Reference: M-6614 . Dimensions: Height - 184cm/ Width - 131.5cm/ Depth - 56cm . CONDITION REPORT: Good antique condition overall, with age-related wear consistent with use. There is evidence of historic woodworm, particularly to the base, but this is long gone and has been treated as a precaution. The wardrobe is structurally solid and sound, ready for everyday use. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated ...
