Description

Here's a 1920s pine dresser base or cupboard. It has two drawers at the top, each fitted with a white porcelain knob, and two doors below. The piece shows lovely detailing throughout. Originally painted, it has recently been stripped and is currently in bare wood, like much of the furniture we source. The drawers run well and are in good condition. Inside the cupboard is a single fixed shelf. It is set into the sides, so while it could technically be removed, it is designed to remain in place. A neat and practical piece, ideal for use as a kitchen dresser base, sideboard, or general storage cupboard. Code: K0557B Price: £410 as it is, or £477 if you'd like it waxed. Dimensions: Height 31", width 40.5", depth 20.5". Height 79 cm, width 103 cm, depth 52 cm.
