Description

A stunning, fine and impressive antique Arts and Crafts style 14.81 carat peridot and 15 carat yellow gold necklace; part of our Arts and Crafts jewellery collection. This fine and impressive antique peridot necklace has been crafted in 15ct yellow gold. The pierced decorated Arts and Crafts style frame is embellished with a stunning central collet set emerald cut peridot. This beautifully hand-crafted pendant is further ornamented with two collet set emerald cut peridots to articulating terminals, each surmounted by a linear sinuous gold drop. The pendant suspends via a 15ct yellow gold chain secures to the reverse with a conventional spring-loaded bolt fastening. The chain feeds through the reverse of the feature setting allowing the lower terminals to be adjusted and piece to be worn at a multitude of lengths; this finely engineered detail indicates the high quality of the piece. The pendant is hallmarked to the reverse with the 15ct gold mark (15CT) and the piece has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 15 carat gold. This antique gemstone pendant is supplied with an IDGL gemstone grading report card. ...
