Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. This is the Solid 9ct gold classic gents slimline watch with the highly reliable manual winding 17 jewel calibre 601 movement. The satin black dial is perfect having just been professionally restored to new condition. It has the Omega logo on the crown, it is also fully marked Omega on the dial, movement and case as you would expect. The case has been professionally cleaned and polished so it is absolutely pristine. It has a full set of British 9ct gold hallmarks with the London hallmark letter h which indicates that it was made in 1966. The slimline watch case measures 34mm in diameter not including the crown. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The movement has just been fully serviced and is running to within original Omega specification. We can fit any colour or style of strap and keep most things in stock. Like all of our watches it comes with a full 12 month warranty and we can provide any future servicing you may require. We offer a highly personalised and bespoke s...
