Description

Beautiful Georgian caddy with shell inlay in excellent original condition. It is 17cm wide x 13 deep x 13 high and dates from c 1820. Usually these Georgian caddies are mahogany so to find a rosewood one is quite unusual. It is crossbanded in satinwood and has the internal two lids with bone knobs, as it should. It has a diamond shaped bone escutcheon. The interiors of the two sections have some wear to the paper lining. Free worldwide fully insured shipping
