## Description

A fine and rare early 18th Century Walnut Chest Of Drawers of Small proportions having four long drawers with brushing slide. Matched figured Walnut and burr walnut veneers throughout with fine feather banding. The Chest is a superb light colour that glows. All the clean original drawer linings and back boards are made in oak. Handles replaced through the same holes with good period examples, escutcheons are original. A beautiful example made in the George II period. Circa 1735.
