A wonderful Edwardian Mahogany roll top desk, circa 1905. Super quality and just refurbished and looking fantastic. The side drawers automatically lock when the tambour is closed and unlock when opened. The interior is a mass of pigeon holes and drawers. Along with a full re polish, new tooled leathers have been fitted. Nice to see the original ink wells and pen swivels present. All the drawers are lined in solid Mahogany and in between the pedestals is a recessed pair of cupboard doors.. Polished to all sides, so can be used off the wall if desired.
