Description

A handsome Georgian mahogany wardrobe with beautiful figured grain and elegant proportions. The wardrobe features two large panelled doors opening to generous hanging/storage space, with the appearance of two small drawers beneath – one being a dummy drawer – above a single full-width drawer to the base. Raised on shaped bracket feet and finished with a moulded cornice, this is a classic and practical period piece ideal for a bedroom or country house interior. Good antique condition with minor age-related wear consistent with period. A very decorative and useful Georgian storage piece. The wardrobe comes in two sections for transport. We can arrange a two man delivery service through out the UK and can ship worldwide
