Description

This is a particularly nice set of 19th Century French armchairs with matching waisted stool. The chairs are deep buttoned and have a thick frame give them a beautiful shape, the carved frame on this set are also particularly nice. For me the line detail on the back legs of the chairs shows the quality of the set. Measurements: Chairs- Height 97cm Width 79cm Depth 80cm Depth of seat 50cm Height of seat 44cm Footstool- Height 44cm Width 63cm Depth 73cm (On our website) If you would like these chairs and stool upholstered please click yes in the upholstery drop down menu. These would require 14 metres of material (6m per chair plus 2m for the stool). You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday.
