Description

This cupboard is in good condition. We have professionally stripped and restored it. We then waxed it in a lovely antique brown bri wax giving it a stunning patina. The cupboard would look well in an old or modern property in a large unfitted kitchen for storage of kitchen items. It would look great on a landing for storage of linen etc if you have a large staircase. Please be aware this is in one piece and I will require a hand off the van with it into your hallway. If it is to go up stairs your staircase needs to be straight with no turns. The cupboard stands on a square plinth supporting the main section. There are two doors and each door has one panel with a moulding around the edge. There are two wooden knobs. Behind there are shelves for storage. The top has a standard graduated cornice. The height is 198cm, the width is 112cm and the depth is 53cm.
