Description

This chest of drawers is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. This chest of drawers would look well in a large property bedroom amongst similar antique pine furniture. It is very heavy so I will require a hand off the van with it. If you are looking to furnish a bedroom please view our other items we have many wardrobes and bedside cabinets. This chest stands on lovely georgian plank ends supporting the main section. There are five graduated drawers. The bottom drawer is extremely large. The drawers have round turned wooden knobs, dovetail joints and cock beading. The top is in good condition with a slight beading around the edge. The height is 143cm, the width is 96cm and the depth is 50cm.
