Description

This bookcase is in good condition. It is totally original in its original patina and made from a lovely golden oak. The bookcase would look well in an old or modern property amongst similar golden oak furniture for storage of many books. The bookcase stands on a square plinth supporting the main section. There are two doors that have two glazed panels and a metal handle that securely shuts the doors. The top is in very good condition with a bull nosed edge and behind the doors there are three shelves. The shelves are not fixed so the supports can be adjusted to whatever height you desire. The height is 104cm, the width is 89cm and the depth is 37cm.
