Description

A 19thC Southern France Sandstone Tether Block 33cm Original Wrought Iron Ring. A large carved sandstone tethering block, an impressive 33cm tall with original wrought iron ring. An unusually large southern France, hand carved and weathered tether block with iron ring, displaying a charming lichen and moss appearance. Sourced in southern France, this is typically from a farm or small holding for lashing animals to and still great for dogs or garden or interior sculpture. A striking stone tethering block block of excellent scale and proportion, requires 2 to carry, perhaps 1 strong person. Dimensions Height 33cm Width 30cm Depth 27cm Please request more photos and any questions invited. Free collection from Lewes, East Sussex. U.K. delivery available. We operate a weekly delivery service into London and surrounding areas of M25 for only £40 plus any relevant congestion charges, please enquire. We can recommend a whole of U.K. weekly delivery service for only £60, please enquire for Scotland.
