Description

A stunning pair of Victorian entree dishes, beautiful quality and wonderfully decorative, the two things we always look for in these pieces; and rarely find. The oval shapes are outlined with heavy beading around the rims, edges and framing the handles. They are further enhanced with an engraved Greek Key design and a very regal Armorial crest of a Unicorn surrounded by a further decorative engraved panel. The handles are of course removable, the underside having the Bell mark (with another on the underside of the dishes) for the silversmith's Smith, Sissons & Co., 5 Eyre Street, Sheffield. The undersides are also marked "Goldsmiths' Alliance Limited / Cornhill, London" and "Best Sheffield Heavy Silver Plating". Both in excellent condition measuring 12 1/4" at widest x 9 1/2" x 6 1/2" tall to top of handle. A magnificent pair!! Item ID: 33260 FREE Worldwide Registered Airmail Directly From London, England
