Description

A truly exquisite example of antique fine jewellery, this 15ct gold curb link bracelet is set with alternating turquoise and natural pearl cabochons – each stone carefully set within a classic round mount, connected by solid gold links in a traditional curb design. The vibrant turquoise stones are beautifully complemented by the creamy, silver-lustred pearls, creating a harmonious and elegant contrast so typical of the refined taste of the late 19th century. It fastens with a concealed tongue-and-groove clasp and benefits from the added security of a safety chain. METAL 15ct Yellow Gold MEASUREMENTS Measures 7.5" in length Links measure 8.7mm wide Stones measure 3mm WEIGHT 18.35 grams HALLMARKS 15C on clasp CONDITION This antique bracelet is now over 100 years old! However, it remains in very good condition for its age; structurally, the bracelet is sound and features no signs of thinning or wear. There is some light surface wear and patina consistent with age, but nothing that detracts from the piece's beauty. Item Number - 10904
