Description

An attractive 19th century antique mahogany work table. The table features a rectangular top with rounded corners, raised on four turned legs with original brass castors. To one side are two working drawers with turned wooden knob handles, with corresponding dummy drawers to the reverse, a typical feature of work tables of this period. A practical and decorative piece, ideal as a side table, sewing table, or occasional table. Item Reference: M-6739 . Dimensions: Height – 70cm/ Width - 39cm/ Depth - 57cm / Width extended - 76.5cm . **CONDITION REPORT:** In good antique condition throughout with some signs of age. There is surface wear in places, including age-related marks and scratches consistent with use. The drawers run well and the table remains solid and sturdy. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home. To provide you with a comprehensive understanding of the item's condition, we kindly request that you take a moment to thoroughly review all the accompanying photos. These images form an essential part of t...
