Description

A Gorgeous Pair of Antique Clear Cut Crystal Candlesticks with octagonal stepped bases that give a stable footprint and strong geometric presence. The stems combine faceted knob sections with vertically fluted panels that catch and refract the light. The sconces have a gently scalloped, petal-like rim that reads as a decorative drip pan detail – circa 1920. * A pair of clear glass candlesticks that bring height and sparkle without visual clutter. Measurements: Height: 9 3/4" (approx. 24.5cm) Diameter: 4 1/2" (approx. 11.5cm) Total weight: 1090g In good condition – These are superior quality glass candlesticks. The glass shows light surface wear and small handling marks consistent with use. The edges and facets are crisp, with no chips or cracks.
