Description

A Fabulous Middle Eastern Silver Inlaid Bronze Dish with Arabic Calligraphy. The front is centred with a roundel of flowing script and scrolling foliate motifs, framed by panels of Arabic calligraphy. A rope-twist border around the rim provides a crisp, finished edge – circa 1850. * The silver inlay catches the light in a way that makes the calligraphy feel almost drawn across the surface. Measurements: Height: 1 1/2" (approx. 3cm) Diameter across the top: 7 1/2" (approx. 19cm) Diameter across the base: 4" (approx. 10cm) Total weight: 504g In good condition – The dish presents well overall, with clear inlay and crisp engraved detail to the front. There is a small split to the bronze edge in one place, as shown in the last photographs for accuracy.
