Description

An Edwardian era silver photo frame with clear hallmarks for Birmingham 1904 and makers mark for Deakin & Francis. This silver photo frame has been converted, by adjusting the easel back, from a narrow portrait to a wide landscape image. The wide silver frame has a raised hammered finish, a good light reflector, surrounded by a refined reeded and beaded edge. The original fabric back is present, with a new easel. Perfect for a photo for a group photo and in excellent condition. Image dimensions: 14 x 6.5cm
