Description

A delightful Danish silver tea strainer and stand with clear hallmarks on both parts for Danish silver dated 1931 and makers stamp HFC, possibly for H Fischer Copenhagen (1893-1937). This elegant piece comprises a deep round bowl on three outswept legs and a wide rimmed strainer with handle. Typical of the restrained elegance of Danish design, both the handle and legs are adorned with a scroll at the tip and fine lined edge, and the scroll theme is repeated within the strainer as well. Very pretty, and in excellent condition.
