Description

Gents 1950s Smiths Deluxe wrist watch, model A258. The watch has a 17 jewel 27CS hand-winding movement which is working nicely. The watch measures 32mm diameter excluding the winding crown and the lugs. The case is chrome plated while the case back is stainless steel. Overall the case is in good condition, just some rubbing to the tips of the lugs. The lens is in good condition (some natural light reflection on the main photo). The dial is signed Smiths De Luxe. It has darkened a shade or two over the years but still easy to read the time. Original hands, centre seconds hand with pointer end, and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
