Description

This exceptional English antique Victorian pond yacht, almost 8ft high which is an absolutely stunning piece. We have genuinely never seen such a finely detailed pond yacht. The hull is beautifully detailed with brass pins. The deck has been beautifully created with planks. The wheel is finely detail as are the other items on the deck. Even the galley has been laid out. The detailing and proportions throughout this piece make it difficult to comprehend how many hours must have been devoted to creating it. With its attention to detail and massive size, this pond boat / yacht is a true standout in the world of maritime antiques. It exudes a sense of history and elegance, and would make a stunning display piece in any home. This rare piece would make a captivating addition to any collection, showcasing the craftsmanship and style of a bygone era. The approximate MAXIMUM dimensions are: 240 cm (94 1/2 inches) high 159 cm (62 1/2 inches) long 28.5 cm (11 1/4 inches) deep CONDITION: The yacht is in good antique condition but does need a little restoration.
