Description

An early George V era silver tea caddy with clear hallmarks on the body and lid for Sheffield 1911 and makers mark for Martin Hall Co Ltd. This caddy is made in the shape of an oval classical urn on a stepped pedestal base. It has a hinged lid, and is topped by an ebony knob. The body is divided into four sinuous panels, surmounted by a grooved rim with a scrolled edge. The hinge works perfectly and the lid fits perfectly. It is clean, in excellent condition with elegant design.
