Description

Antique suitcase made of crocodile leather featuring prominent hornback scales hand stitched with fine leather lacing, an attractive antique reptile skin suitcase with a beautiful patina, suitable as a decoration object or useful storage in your home / office. The case could sit on a wooden stand creating an elegant display. Hornback details on the top and bottom of case and the handle and closure are made by hand. The interior of the case is just as elegant as the exterior. The interior is lined with a luxurious lighter mahogany brown leather and includes one pocket compartment on the lid for organizing items. Brass stud dome feet on the bottom of the case.
