Description

An exceptional set of eight (six plus two) burr walnut Queen Anne style dining chairs, showcasing outstanding craftsmanship, rich colour, and timeless elegance. Each chair is raised upon beautifully formed cabriole legs, terminating in boldly carved ball and claw feet, with pronounced sea scroll detailing to the knees—executed with confidence and precision. The shaped backs are adorned with striking burr walnut veneers, displaying exquisite figuring and depth, enhancing the overall sense of luxury. The two carver chairs feature elegant shepherd's crook arms, offering both comfort and a commanding presence at the head of the table. This distinguished set has been meticulously restored in our own workshops, including the expert re-upholstery of the lift-out seats, resulting in a presentation that is both refined and ready for immediate use. A superb quality suite, combining decorative appeal with practical functionality, and presented in a beautifully mellowed tone that will complement both traditional and contemporary interiors.
