Description

An unusual set of five sterling silver pickle or Hors d'oeuvre forks. They are hallmarked STERLING along with the makers marks of Whiting of the USA. I would date them to c1900. They have a nice trident design, all engraved B, and are in super condition being free from dings splits and repairs. It measures approx. 5.5 inches (14cm) long and combined weigh 46 grams. A nicely designed set.
