Description

A beautiful German / French solid silver pill trinket box. It is hallmarked with two French weevil import marks, it was most likely made in Hanau Germany. I would date it to c1900. It has been beautifully designed and is in super condition being free from dings splits holes and repairs. It measures approx. 1.75 inches (4cm) across by 1 inch (2.6cm) tall and weighs 28 grams. A very pretty piece.
