Description

This wonderful canvas travelling trunk that has leather straps, and corner protectors, would be wonderful for boot storage in a large hallway or for linens as it would be a great talking point. The top is arched, handles to the sides, inside is a compartment that sits on top, this does need repairing as it has become unstitched also one of the leather straps needs a repair, but otherwise this is in good condition for its age. Circa 1850 Dimensions:- Width 31" 79 cm Depth 21" 53cm Height 24" 61cm
