

SA1202862

Antique barometer / altimeter,
original case

Price

Sold

Item Reference: SA1202862

Date of manufacture: 1900

Description

Antique barometer / altimeter, original case. The barometer measures 50mm diameter excluding the loop. The gilded case is in beautiful condition, as is the glass lens. The bi-directional bezel rotates to move the small marker to the desired position. The altimeter measures from 0 to 10,000 feet, and barometric pressure from 21 to 31 inches. The barometer comes in its original leather covered case which is in lovely condition.
