Description

A Regency mahogany, rosewood-crossbanded, satinwood and burr elm-inlaid reading table with a pivoting octagonal top fitted with a removable rest on a turned support and three splayed legs. In very good condition. We have noted a couple of historic ink stains to the top, a couple of splits through the veneer and some repairs to the legs where they meet the base. All commensurate with age and daily use. A really elegant piece and useful as a side table or reading stand.
