Description

A beautiful pair of antique Georgian style inlaid yew wood side tables. They were made in England, they date from around the 1930's. They are of excellent quality and have a very useful design, they are of wonderfully slim proportions. They have lovely grain patterns with cross banded edges on the top and lower tiers. They are finished nicely on all sides, so they can be used as free standing items. They are a great size to be used as lamp tables in the living room or as bedside tables. Each has a single drawer below the lower tier with solid oak interiors and fine, hand cut dovetailed joints; they stand on brass casters. We have had them re-polished, the condition is excellent. Width – 12 inches , 31 cm Depth – 22 inches , 56 cm Height – 23 inches , 59 cm
