

SA1203123

Art Deco rock crystal necklace

Price

GBP 350

| USD \$477 | EUR 408

Item Reference: SA1203123

Date of manufacture: 1920

Description

This necklace has been completely re strung. It is the epitome of Deco style. Made from rock crystal, garnet. The rock crystal beads are interspaced with garnet and are graduating in size. Spacing crystals too. There is a flat rock crystal Disk as the final medallion. Thought to originate from Europe, possibly France. Drop of 21 inches. Truly understated luxurious style.

Internal Ref: TS/jg
