Pair of Regency bronze and ormolu table lamps

Price

GBP 2,950

| USD \$3,984 | EUR 3,450

Item Reference: SA1203211

Date of manufacture: 19th Century

Dimensions

Height = 57.2 cm (22.5")

Depth = 30.5 cm (12.0")

Description

A pair of Regency period bronze and ormolu candlesticks converted into table lamps; having later glass oil reservoirs decorated with Neo-classical swags above a reeded stem and raised on lion paw feet standing on concave bases. The lamps have been wired for UK current but can easily be rewired for Europe or the USA. Measurements include the pleated silk lampshade. Circa 1850

Internal Ref: PA14
