Description

A fine example of an early 17thc Charles 1 brass seal top spoon, it has a well worn maker's mark PE within a shield, punched into the top of the "fig" shaped bowl.....and has gained a very good natural colour and is in excellent condition....also from the wear on the bottom of the bowl, you can tell this belonged to a right handed person....certainly one to treasure...! English. C1620-40.
