Description

Beautiful 1930s–1940s vintage brooch, crafted in white metal, tested as platinum, and set with a stunning arrangement of old brilliant cut diamonds. The design features an elegant flowing floral and ribbon-style motif, typical of the late Art Deco to early mid-century period. The diamonds are bright and lively, showing a very clean, white appearance with excellent sparkle. The brooch is set with approximately 5.00ct total diamond weight, giving it impressive presence while remaining refined and wearable. • Circa 1930s–1940s • White metal, tested as platinum • Old brilliant cut diamonds • Approx. total diamond weight: 5.00ct • Bright, clean white stones • Floral / ribbon design • Weight 20.6g Contact 07970119030
