Description

A Pair of Antique Sterling Silver Low candlesticks with a clean, architectural silhouette. The design is defined by crisp concentric bands around the nozzle and the stepped circular base. This pair have particularly broad filled bases that create a pleasing sense of weight and stability on a table or mantel. Hallmarked for Birmingham, 1919.

* A low but wide pair of candlesticks like this bring genuine period silver to the table in a quietly confident way. Measurements: Height: 4 1/2" (approx. 11.5cm) Diameter: 4" (approx. 10cm) Total weight: 771g In good condition – Both candlesticks show only light surface wear consistent with age and careful use.
