Description

This table / bench would look well in an old or modern property particularly in a georgian / victorian property in a living room as a coffee table. This is very stylish and would look fantastic even in a reception of a hotel. This table stands on square tapered legs supporting the main section. It has a beautifully worn top with a tray top around the edge. The height is 56cm, the width is 129cm and the depth is 58cm.
