Important notice regarding frames – please read carefully. Items which are presented in frames are usually the old original frames which came with the artwork. We would typically only remove the frames if they were severely broken or damaged. In line with our conservation ethos, we believe that a painting should be sold within its original setting rather than re-presenting in a contemporary mount & frame unless necessary. Customers also prefer to choose their own way of presenting their painting or engraving. Frames therefore WILL have wear, discolouration or damage in line with their age. When we value and sell artwork, we provide the frame free. We do not accept liability for damage caused to frame in transit. We are more than happy to remove frames before posting at the customer's request Condition report: The artwork is considered to be in good condition...
