Description

A fantastic pair of antique Biedermeier mahogany side chairs. They were made in continental Europe, possibly Denmark, or somewhere close and they are quite early, dating from around the 1790-1820 period, or even earlier. The quality is outstanding, they have gorgeous and intricate carving depicting eagles heads on the backs, the legs are also beautifully carved. We have had them re-polished and re-upholstered in a cream cotton fabric, retaining the original horse hair stuffing. The condition is excellent for their age. Please check & enlarge all the images, especially the stunning carved eagles heads, which in themselves are a work of art, plus the reeding & other carved details. Width – 21 inches , 53 cm Depth – 21 inches , 53 cm Height – 36 inches , 92 cm Seat height – 18 inches , 46 cm
