Description

This box is in good condition and from Hungary. It has its original paintwork. This box would look well in an old or modern property amongst similar antique pine decorative furniture at the foot of a bed in the middle of a living room for a coffee table or in a corner of a living room to place a TV on top. This box stands on round turned feet supporting the main section. There are three beautifully painted panels to the front with a floral design and arched top. There is some hungarian writing above and a key that opens the box. The top is in good condition and beautifully worn in all of the right places. There is a lift up lid with plenty of storage space inside. It has its original metal carry handles to each end. The height is 56cm, the width is 117cm and the depth is 58cm.
