Description

A beautiful English antique solid novelty swan pin cushion. It is hallmarked with the German crescent moon and crown mark along with a markers mark. I would date it to c1900. It has been beautifully cast and is in superb condition being free from dings splits holes and repairs. It measures approx. 2.5 inches (6.4cm) long by 1.25 inches (3.2cm) wide by 2 inches (5.1cm) tall and weighs 16 grams. A very good quality piece.
