## Description

A beautifully constructed and very smart antique mahogany military campaign style chest of drawers. This was made in England, it dates from around the 1930's. The quality is superb, this is a lovely and useful size. The mahogany has a gorgeous colour tone and patina, offset beautifully by the brass handles and brass fixtures. There is plenty of storage space in the four generous drawers, this sits on nicely shaped bracket feet. We have had this recently re-polished, the condition is excellent for its age. Just some minor wear remains here and there beneath the polish, commensurate for age. Width – 24 inches , 60 cm Depth – 16 inches , 41 cm Height – 28 inches , 72 cm
