Description

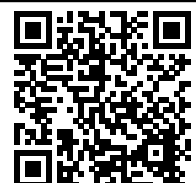

This chest of drawers is in good condition. It has been superbly restored in Hungary and then waxed it in a lovely antique brown bri wax giving it a stunning patina. This chest of drawers would look well in a large property bedroom amongst similar antique pine furniture. It is very heavy so I will require a hand off the van with it. These Hungarian chests are very large so please be aware your staircase needs to be wide enough to get it upstairs and to be able to maneuver it on the landing. If you are looking to furnish a bedroom please view our other items we have many wardrobes and bedside cabinets. This chest stands on square back legs and round turned front bun feet supporting the main section. There are three large drawers. The drawers have a pretty moulding around the edge and ceramic handles. The drawers have dovetail joints and are pine lined. There are carved motifs to the top. The top is in good condition with a bull nosed edge. The height is 110cm, the width is 132cm and the depth is 63cm. The internal measurements of the drawers are - the height is 25cm, the width is 106cm and the depth is 49cm.
