CONDITION REPORT: In antique condition throughout with signs of age and use. The upholstery has significant wear and there are tears to the front edge of the seat as shown, as well as staining throughout. It is a solid and sound piece, with lovely silhouette but would benefit from reupholstery. There are also age-related marks and staining consistent with use. The frame is solid and the castors run well. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home. To provide you with a comprehensive understanding of the item's condition, we kindly request that you take a moment to thoroughly review...
