Description

Elegant pair of mahogany Regency Revival waterfall bookcases featuring the distinctive graduated curved sides that give this style its name Bought from a private house sale in London's Queens Park The open shelves provide ample space for books or decorative objects, while the gently flowing sides create a refined and decorative silhouette Each bookcase is fitted with three open shelves above a lower drawer with brass handles, offering additional storage The pieces stand on shaped bracket feet and display a warm polished mahogany finish that enhances the natural grain of the wood Waterfall bookcases became particularly popular during the early 20th century, combining practical storage with a graceful flowing design suited to libraries, studies, or living rooms A handsome and useful pair ideal for displaying books, ornaments, or decorative objects in a traditional interior Offered in great shape Will ship to anywhere in the world - including the US - please get in touch for a shipping quote Dimensions are in inches (CM): 29 (73.7) x 10.5 (26.7) x 44.5 (113)
