Price

GBP 1,200

| USD \$1,620 | EUR 1,405

Item Reference: SA1203953**Date of manufacture: 18th Century**

Dimensions

Height = 78 cm (30.7")

Depth = 38 cm (15.0")

Description

A rare 18th century carved tripod table in a tropical hardwood (similar to Rosewood). Rich colour and good patina. Possibly Batavian. Circa 1760. Delicately carved with acanthus on the knees and lions' paw feet. The attenuated form is a regional interpretation of a Western design. Of unusual construction - the top unscrews- possibly to aid transportation.
