Description

Here's a lovely old pine cupboard, probably dating from the 1920s. It has some attractive detailing and two full-height doors, currently in bare wood. The doors are mounted on French-style external hinges, which allow them to open a little wider than standard internal hinges — a practical feature for easier access. Inside, there's a shelf in the upper section with a drawer beneath it, plus an additional shallow shelf at the top. Below, there's another fixed shelf. All shelves are set in place rather than adjustable. The cupboard is in nice condition for its age. A couple of the hinges just need tightening slightly, which will be done. Please note: this piece does not dismantle for delivery — it is in one solid section. Code: K3504C Price: £525 as it is, or £627 if you'd like it waxed. Dimensions: Height 70.5", width 38" (widest point), depth 19" (deepest point at the top). Height 179 cm, width 97 cm, depth 48 cm.

Internal Ref: K3504C
